

RESULTS REPORTING

Junior Cricket Association

What to do and how to do it

1 Reporting the Result

It's easy to report the result of every match played. Please send a text or a very short email to the appropriate Results Co-ordinator..... names and contacts below.

The **home team** must report the result of their match to the Results Co-ordinator. Results include postponements, forfeits + reasons. Team Managers can ask a parent/carer or other volunteer to report. The name of the reporter must be known to the Results Co-ordinator.

To report the result of a match:

Send **by text or by email** -- **Contacts below** (Email for Open U13/15/17, below) and **give:**

- A Match number** (from the fixture list)
- B Home team score and wickets lost** (or postponement/forfeit + reasons)
- C Away team score and wickets lost**
- D Result: team X beat team Y by ZZ runs or wickets. That's the result -- done**

3 Background info

WW needs the results to know how the programme is going and to upload the results information to the WW website. We have to report the results of our programmes to the Hampshire Cricket Board, and they report to the England & Wales Cricket Board.

It's easiest to report the result straight after the match. Team Managers may appoint a reliable colleague to report for their team. **Please would team managers tell their Results Co-ordinator so we know who will be reporting results for your team?**

Results include postponements and forfeits

A text saying "Match GU11xxx postponed to xx June due to downpour this morning" is just as useful as the actual scores and result.

Every result (or a postponement or forfeit) must be reported by midnight on the day following the scheduled date for the match. Further information in WW Rules 2.13. Please note that there is a penalty of £5 per late result for failure to report by the deadline.

If there's a problem with reporting a match, please tell your Results Co-ordinator asap.

4 PERFORMANCES

Team Managers or one of their helpers should keep good records of special performances by their players and their team, for the benefit of their club and players. Some people love keeping cricket statistics..... if you have someone who can do that, they're worth a few drinks during the season! Team Managers are not required to submit performance reports to Winchester Warriors but they are welcome to inform the Results Co-ordinator for information. Further information in WW Rules 2.14.
